Explain:

### Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Note: Market was acquired in August 2010. Compliant handset models are publicly identified for consumers and audiologists. Compliant models are listed on the Centennial website. Training is provided to salespeople on which digital phones are compliant. Compliant HAC phones are identified at the point of sale in retail locations on the merchandising cards. Consumers are given a 30 day trial period to try out digital wireless phones to determine whether they will work with their hearing aids. Flexible return policies are made known to consumers seeking to obtain compliant devices.

### Methodology for Functionality Levels

Levels of functionality are determined by consultation with phone vendor/manufacture on the subject of HAC compliance and the price class of the phone. Operating capabilities and functionality of compliant handset models are verified through testing of devices prior to retail launch.

### Report Remarks

The markets subject to this report were acquired by the Filer on August 19, 2010; therefore, the handset information provided in this report is for the period from August 19, 2010 through December 31, 2010
